Quick Start Guide: Transferring your completed CPD hours when switching to CPD Home

As a new Subscriber, we have made transferring your completed CPD hours to AMA CPD Home simple. Just follow these easy steps. Before you begin, make sure you have your CPD statement from your previous CPD home provider at hand, as evidence of your achievements for the current CPD year.

To self-record your completed CPD hours against Domain 1: Educational Activities and Domain 2: Reviewing Performance and Measuring Outcomes, please follow the steps below during the current reporting period.

To transfer your CPD hours to the CPD Tracker, simply follow the below steps.

- Log in to your CPD Home account
- From the Dashboard, under CPD Summary, click 2 CPD Report 🖒 Please note: If a new CPD year has already commenced, select the previous CPD year first
- Scroll through the 'Select Activity' list and select Transfer of Educational Activities
- Enter the total CPD hours and minutes undertaken

- In the Reviewing Performance (RP) view, click the '+' icon to add your RP record
- Scroll through the 'Select Activity' list and select **Transfer of Reviewing Performance**
- Enter the total CPD hours and minutes undertaken for RP
- In the Measuring Outcomes (MO) view, click the '+' icon to add your MO record
- Scroll through the 'Select Activity' list and select **Transfer of Measuring Outcomes**

- Enter the total CPD hours and minutes undertaken for MO
- Select any relevant CAPE aspects that you have already completed for the year
- Select the CPD year if more than one option is available
- Click **Browse** to upload your previous provider CPD statement as evidence should you be audited (JPG and PDF file types only)
- 14 Click Save.

Your transferred CPD activity completion record and supporting evidence will now be added to your CPD Tracker for each domain of learning, collated into your CPD Report and reflected on the Dashboard.

Please note: while you may have completed your CPD Plan with your previous provider, you must still complete the CPD Home written plan template and reflection at the end of the year to meet the AMA CPD Home Program requirements AND add 5 hours of RP to your CPD Tracker. To complete the CPD Plan, click the CPD Plan menu and follow the prompts, or read our Quick Start Guide: Completing your CPD Plan for more information.
